

Honor Mothers & Fathers with a Stan Hywet Handcarved Urn

We invite you to consider taking advantage of a limited opportunity to honor or remember a loved one with a gift of one of 16 intricately stone carved classical floral urns displayed on the West Terrace and West Overlook of the Manor House. Each urn was recreated in 2012 to match the original urns and locations as shown in Schneider's historic drawings. The originals were removed in 1998 as a result of many years of weathering and wear and are being replaced as funds are available. There are two designs and sizes to select from with gift pricing from \$1,500 to \$3,500. This is only a fraction of the actual cost of each urn, but will provide needed support for the care and maintenance of Stan Hywet's historic gardens this season. A perfect gift for the 2013 season as Stan Hywet presents, *A Passion for the Land*.

Each tribute gift will be recognized with an engraved marker, a personalized greeting card and framed photo of your commemorative urn(s) at their location sent to you or to your honoree informing them of your generous contribution in their name. Details of each gift will also be included in a permanent Tribute & Memorial Gift Book displayed in the Carriage House for public viewing.
